## Profile

Digital media educator and practitioner with university teaching experience in filmmaking, internet video product development and student supervision. PhD researcher in Communication at Hong Kong Baptist University and visiting scholar at Penn State. Research interests include embodied cognition, immersive storytelling, human-AI interaction and digital health communication.

## Education

**PhD in Communication | September 2023 - present**

Hong Kong Baptist University

Expected completion: August 2027.

**Master of Digital Communication and Culture | January 2018 - November 2019**

University of Sydney

**BA Honours in International Communications Studies | September 2013 - June 2017**

University of Nottingham

## Academic Experience

**Visiting Scholar | August 2026 - March 2027**

Pennsylvania State University

**Lecturer | August 2020 - February 2025**

Sichuan University of Media and Communications | Department of Visual Communication and New Media Art

Taught Short Filmmaking and Internet Video Product Development; supervised dissertations, graduation projects and competition work. From September 2023, continued student supervision and returned during university vacations for intensive course teaching alongside doctoral study.

## Research Funding

The Spatial Microphone | Principal Investigator | 2025-2026. HK$300,000 from the Inno Realisation Fund, supported by HKBU and Hong Kong Science and Technology Parks Corporation.

## Selected Research Outputs

### Journal Articles

Lyu, S., Zhao, Z., Liu, G., & Zhou, S. (2026). Understanding Embodied Experiences in a Traditional Chinese Medicine-Based Health Promotion Program: Insights from In-Depth Interviews and Participant Observations. Health Communication, 41(1), 52-62. https://doi.org/10.1080/10410236.2025.2490230

### Selected Conference Contributions

Lyu, S., Xu, J., Liu, X., & Zhou, S. (2026). Cognitive Embodiment in Immersive Narrative Storytelling: A Systematic Review of Embodied Experience Features and Effects. 76th Annual ICA Conference, Cape Town, South Africa.

Lyu, S., Zhao, Z., Liu, G., & Zhou, S. (2025). Understanding Embodied Health Practices and Their Impacts in a Traditional Chinese Medicine Program: A Mixed Methods Study. 75th Annual ICA Conference, Denver, Colorado, USA.

Zhou, Y., Chen, J., Guo, Z., Xia, C., & Lyu, S. (2025). Examine the Effect of Multidimensional Distances on Antibiotic Risk Awareness and Preventive Behaviors. 75th Annual ICA Conference, Denver, Colorado, USA.

Lyu, S., Zhao, Z., & Zhou, S. (2024). Examining the Effectiveness of Digital Storytelling on Improving Mental Health during the Covid-19 Pandemic: A Narrative Communication Perspective. 74th Annual ICA Preconference, Sydney, Australia.

Lyu, S., & Zhou, W. (2024). Exploring the Intersection of Strategic Communication, User Acceptance, and Social Impact Insights from Hong Kong College Students' Attitudes and Behaviours towards AI Technology. 74th Annual ICA Preconference, Sydney, Australia.

## Entrepreneurship and Media Practice

**Founder | 2025 - present**

Hong Kong Sound Cocoon Limited

Principal Investigator of The Spatial Microphone, supported by the Inno Realisation Fund.

**Founder | 2021 - 2023**

Chengdu Yingshe Media Co., Ltd.

Managed company operations and video production for school promotional films and television commercials. Selected projects included a Universiade-related promotional film.

**Independent Content Creator | Current**

Xiaohongshu | Xiao She

Creates content featuring model cars, toys, unboxing and reviews.

**Photo and Video Department | November 2018 - June 2019**

Sydney Splendid Studio

Produced photography and video content for client projects, including productions for Australia Bridal Guide, Jimmy Choo Spring/Summer 2019, Superdry Swim and Sydney World Square Cherry Blossom Festival.

**Journalism Intern | June 2016 - September 2016**

Xinmin Evening News, Shanghai

Conducted interviews, wrote news stories and supported online publication and media draft preparation.

## Student Support and University Service

**College Tutor | 2025 - 2026**

College 4, Village CARE | Hong Kong Baptist University

Supported residential student engagement and community life; coordinated activities and assisted with College events.

## Selected Qualifications and Recognition

University Teaching Certificate; Roblox Innovation and Design Instructor (Tencent Games and Roblox); DJI Certified Drone Pilot; Member of Sichuan TV Artists Association.

Excellent Instructor Prize, Sixth Sichuan Province University Animation Contest. Third Prize, First Sichuan Provincial Forest and Grassland Fire Prevention Public Welfare Micro Video Contest.

## Technical and Research Skills

Video and audio: Adobe Premiere Pro, After Effects, Audition; Ableton Live; OBS Studio. Visual design: Photoshop, Illustrator, InDesign, Lightroom; Sketch; Principle. Interactive media: Unreal Engine 5, Roblox, Object2VR. Research: literature reviews, qualitative and quantitative analysis, data visualisation, VOSviewer.

## Languages

English and Mandarin Chinese; conversational Cantonese with good everyday listening comprehension.
